## Membership Benefits 2024

Membership rates and benefits for the 2024 season are now online - please see our [Membership page](#) for details! The board has listened to member feedback and we are pleased to announce a few important changes for the coming season, particularly at the Tennis and Sustaining levels. New Tennis members now have the option to join the club at a Basic Level of Tennis membership. Basic Tennis Members may access the courts throughout the season for independent court play, while those that wish to participate in instructor-organized tennis classes and clinics must purchase the Tennis Class and Clinic Add-on. We ask Sustaining level members to visit the [website](#) to see updates to your benefits. Full members continue to enjoy the full benefits of membership for the whole family, with unlimited family access to the pool,

---

courts, classes, and social events. Please feel free to [contact us](#) with questions or to make any changes to your membership this season. Invoices will be distributed in March.

## Membership Recruitment

**COPOCO is now recruiting new members for the 2024 season.** COPOCO members, now is the time to invite your friends to join. In addition to full memberships, we are offering a more competitive rate for tennis players that wish to join. Enrolling is easier than ever, and people can find [information](#) and [apply](#) online.

Our Membership Chair, Catherine D'Ambruoso, is recruiting a small team of members to help with marketing, answer questions or provide tours to prospective members. **If you are interested in volunteering for the Membership Committee, please contact [Catherine!](#)**

## Staff Recruitment

We are recruiting staff for 2024! We are seeking [lifeguards, swim instructors](#), tennis instructors, and [camp counselors](#). Interested individuals can reach out to us at [copococlub@gmail.com](mailto:copococlub@gmail.com) with a resume. Lifeguarding is a great first job! Strong swimmers that have not lifeguarded before can get training through [Swim NH](#).

## Member Survey

Members, we want to get your feedback on a few opportunities for the 2024 season. The most important is your interest in **pickleball!** Over the past few years, we've heard from many members and non-members about their interest in this growing sport. We have the opportunity to add pickleball lines to one of our tennis courts at relatively little cost to create this option for members. Please respond to this [survey](#) to let us know your interest.

---

Additionally, we have questions about your interest in a **social adult lap swim time, outdoor yoga, and any other ideas you have for Summer 2024!**

## Camp COPOCO

**Camp COPOCO will run this summer during the weeks of July 1-3 & 5 and August 12-16.**

The camp is for member kids entering grades 1-6. It will run from 8:30 AM until 3:30 PM and include tennis and swim lessons, arts and crafts, games, and good old-fashioned summer fun. Get in early, as spots are secured on a first-come first-serve basis. Registration will be coming out in late February, so stay tuned to our [COPOCO Facebook group](#) and the COPOCO listserv.

## Developmental Swim Team

For our budding competitive swimmers and those just interested in improving their strokes, speed and endurance, Coach MacBride will be coming back this summer to coach our pre-swim team on Monday evenings. This class is open to member kids ages 8-14. More information is available on our [Pool](#) web page - stay tuned to email and the COPOCO Facebook group for registration information! This special program is offered in addition to drop in swim classes available to members.

## Social Events

Our [social calendar](#) is in development, with several new social options in the works! These include a series of tennis events (socials, a kids event, a tournament), and another Capital Campaign event. We are also looking for one or more junior members to organize an event for the 11 and up age group. To view the calendar in development, please see our [Member Events](#) page. If you'd like to volunteer to lead an event, please stay tuned for sign ups or contact [Melissa West](#), COPOCO's Social Chair. We'd love to also plan a **winter event** this season if the snow is good to us. For this, we need a volunteer with the capacity to plow our parking lot,

---

and another volunteer or two to help plan the event. If you have the capacity and interest, please reach out!
